- Section 2.7. Termination of Letter of Credit; Substitute Letter of Credit. Notwithstanding any provisions of this Agreement to the contrary, the City agrees not to terminate this Agreement or any Letter of Credit, except upon (i) the payment by the City to the Bank of a Termination Fee or Reduction Fee, as applicable, if any, in the amount set forth in Section 1.5 of the Fee Letter, (ii) the payment to the Bank of all Obligations payable hereunder and (iii) the City providing the Bank, with thirty (30) days prior written notice of its intent to terminate this Agreement and the applicable Letter of Credit; provided that all payments to the Bank referred to in clause (i) and (ii) above shall, be made immediately available funds; provided further, however, that any such termination of this Agreement or a Letter of Credit shall be in compliance with the terms and conditions of the Ordinance. Upon the termination of any Letter of Credit and this Agreement, in consideration for the limitation of the rate of interest otherwise payable hereunder and under the Fee Letter, the City shall pay to the Bank a fee equal to the amount of all deferred Excess Interest; provided, however, that such fee may only be recovered to the extent such fee does not cause the net effective interest rate on the Liquidity Provider Bonds to exceed the maximum rate permitted by applicable law.

Subject to the last sentence of this Section, such extension of the Stated Expiration Date shall be effective, immediately upon receipt of such Notice of Extension and thereafter all references in this Agreement to the Stated Expiration Date shall be deemed to be references to the date designated as such in the most recent Notice of Extension delivered to the Paying Agent/Registrar. (ii) If the City or the Bank shall be required by the Code to withhold or deduct any Taxes, including both United States Federal backup withholding and withholding taxes, from any payment, then (A) the Bank shall withhold or make such deductions as are determined by the Bank to be required based upon the information and documentation it has received pursuant to

subsection (e) below, (B) the Bank shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Code, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes or Other Taxes, the sum payable by the City shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section) the Bank receives an amount equal to the sum it would have received had no such withholding or deduction been made.

- (b) Payment of Other Taxes by the City. Without limiting the provisions of subsection (a) above, the City shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Laws.
- (c) Tax Indemnifications. (i) Without limiting the provisions of subsection (a) or (b) above, the City shall, and does hereby to the extent permitted by the laws of the State, indemnify the Bank and shall make payment in respect thereof within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) withheld or deducted by the City or the Bank or paid by the Bank, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of any such payment or liability delivered to the City by the Bank shall be conclusive absent manifest error.
- (iii) Without limiting the provisions of subsection (a) or (b) above, the Bank shall, and does hereby, indemnify the City, and shall make payment in respect thereof within ten (10) days after written demand therefor, against any and all Taxes and any and all related losses, claims, liabilities, penalties, interest and expenses (including the fees, charges and disbursements of any counsel for the City) incurred by or asserted against the City by any Governmental Authority as a result of the failure by the Bank to deliver, or as a result of the inaccuracy, inadequacy or deficiency of, any documentation required to be delivered by the Bank to the City pursuant to subsection (e). The agreements in this clause (ii) shall survive any assignment of rights by, or the replacement of, the Bank, the termination of the Letters of Credit and the repayment, satisfaction or discharge of all other Obligations.
- (d) Evidence of Payments. Upon request by the City or the Bank, as the case may be, after any payment of Taxes by the City or by the Bank to a Governmental Authority as provided in this Section 3.1, the City shall deliver to the Bank or the Bank shall deliver to the City, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the City or the Bank, as the case may be.
- (e) Status of Bank, Tax Documentation. (i) The Bank shall deliver to the City, at the time or times prescribed by applicable Laws or when reasonably requested by the City, such properly completed and executed documentation prescribed by applicable Laws or by the taxing authorities of any jurisdiction and such other reasonably requested information as will permit the City, to determine (A) whether or not payments made hereunder or under any other Related

Document are subject to Taxes, (B) if applicable, the required rate of withholding or deduction, and (C) the Bank's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of all payments to be made to the Bank by the City pursuant to this Agreement or otherwise to establish the Bank's status for withholding tax purposes in the applicable jurisdiction.

- (ii) Without limiting the generality of the foregoing, if the City is a resident for tax purposes in the United States, the Bank shall deliver to the City executed originals of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable Laws or reasonably requested by the City as will enable the City to determine whether or not the Bank is subject to backup withholding or information reporting requirements; and
- (iii) The Bank shall promptly (A) notify the City of any change in circumstances which would modify or render invalid any claimed exemption or reduction, and (B) take such steps as shall not be materially disadvantageous to it, in the reasonable judgment of the Bank, and as may be reasonably necessary (including the re-designation of its Lending Office) to avoid any requirement of applicable Laws of any jurisdiction that the City or the Bank make any withholding or deduction for taxes from amounts payable to the Bank.
- (f) Treatment of Certain Refunds. If the Bank determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the City or with respect to which the City has paid additional amounts pursuant to this Section, it shall pay to the City an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the City under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses incurred by the Bank and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the City, upon the request of the Bank, agrees to repay the amount paid over to the City (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Bank in the event the Bank is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Bank to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the City or any other Person.

Section 3.2. Increased Costs. (a) Increased Costs Generally. If any Change in Law shall:

- (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, the Bank;
- (ii) subject the Bank to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, or any Liquidity Advance or Term Loan made by it, or change the basis of taxation of payments to the Bank in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 3.1 and the imposition of, or any change in the rate of, any Excluded Tax payable by the Bank); or

(iii) impose on the Bank any other condition, cost or expense affecting this Agreement made by the Bank or its Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to the Bank of making or maintaining any Liquidity Advance or Term Loan (or of maintaining its obligation to make any Liquidity Advance or Term Loan), or to increase the cost to the Bank of issuing or maintaining a Letter of Credit (or of maintaining its obligation to participate in or to issue its Letter of Credit), or to reduce the amount of any sum received or receivable by the Bank hereunder (whether of principal, interest or any other amount) then, upon request of the Bank, the City will pay to the Bank, as the case my be, such additional amount or amounts as will compensate the Bank, as the case may be, for such additional costs incurred or reduction suffered.

- (b) Capital Requirements. If the Bank determines that any Change in Law affecting the Bank or any Lending Office of the Bank or the Bank's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on the Bank's capital or on the capital of the Bank's holding company, if any, as a consequence of this Agreement or the Liquidity Advance or Term Loan made by the Bank, or the Letter of Credit issued by the Bank, to a level below that which the Bank or the Bank's holding company could have achieved but for such Change in Law (taking into consideration the Bank's policies and the policies of the Bank's holding company with respect to capital adequacy), then from time to time the City will pay to the Bank, as the case may be, such additional amount or amounts as will compensate the Bank or the Bank's holding company for any such reduction suffered.
- (c) Certificates for Reimbursement. A certificate of the Bank setting forth the amount or amounts necessary to compensate the Bank or its holding company, as the case may be, and the basis for the calculation of such amount or amounts as specified in subsection (a) or (b) of this Section and delivered to the City shall be conclusive absent manifest error. The City shall pay the Bank, the amount shown as due on any such certificate within 30 days after receipt thereof.
- (d) Delay in Requests. Failure or delay on the part of the Bank to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of the Bank's right to demand such compensation, provided that the City shall not be required to compensate the Bank pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that the Bank, notifies the City of the Change in Law giving rise to such increased costs or reductions and of the Bank's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).
- (e) Miscellaneous. Notwithstanding the foregoing, for purposes of this Agreement (a) all requests, rules, guidelines or directives in connection with the Dodd-Frank Act shall be deemed to be a Change in Law, regardless of the date enacted, adopted or issued, and (b) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Regulations and Supervisory Practices (or any successor or similar authority) or any Governmental Authority shall be deemed a Change in Law regardless of the date enacted, adopted or issued.

- Section 3.3. Mitigation Obligations. If the Bank requests compensation under Section 3.2, or the City is required to pay any additional amount to the Bank, or any Governmental Authority for the account of the Bank pursuant to Section 3.1, then the Bank shall, as applicable, use reasonable efforts to designate a different Lending Office for funding or booking its Liquidity Advances or Term Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of the Bank, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.1 or 3.2, as the case may be, in the future, and (ii) in each case, would not subject the Bank, to any unreimbursed cost or expense and would not otherwise be disadvantageous to the Bank. The City hereby agrees to pay all reasonable costs and expenses incurred by the Bank in connection with any such designation or assignment.
- Section 3.4. Survival. All of the City's obligations under this Article Three shall survive termination of the Letters of Credit and repayment of all other Obligations hereunder.

Section 6.10. Security Records. Execute and deliver promptly, to the Bank, from time to time, solely for the Bank's convenience in maintaining a record of the Security, such written statements and schedules as the Bank may reasonably require designating, identifying or describing the Security. The failure by the City, however, to promptly give the Bank such statements or schedules shall not affect, diminish, modify or otherwise limit the Liens on the Security granted pursuant to the Related Documents.

Section 6.11. Security Interests. (a) Defend the Security against all claims and demands of all Persons at any time claiming the same or any interest therein, (b) comply with the requirements of all state and federal laws in order to grant to Paying Agent/Registrar (for the benefit of the Owners and the Bank) and the Bank's valid and perfected security interests in the Security, and (c) do whatever the Bank may reasonably request, from time to time, to effect the purposes of this Agreement and the other Related Documents, including filing notices of liens, amendments, renewals and continuations thereof; cooperating with the Bank's representatives; and, paying claims which might, if unpaid, become a Lien on the Pledged Revenues. No filing, registering, recording or publication of the Ordinance, this Agreement or any other instrument is required to establish the pledge under the Ordinance or this Agreement to perfect, protect or maintain the lien created hereby or thereby on the Security.

Section 6.12. Consolidations, Mergers and Sales of Assets. Not (i) terminate, wind up, liquidate or dissolve its affairs or consolidate or merge with or into any Person or (ii) sell, transfer, convey or lease (whether in a single transaction or a series of transactions) all or any substantial part of its properties or assets; provided, however, nothing herein shall limit the City's ability to lease, sell or otherwise encumber any under-utilized portion of Security. Notwithstanding the foregoing, the City may sell, transfer, convey or lease (whether in a single

transaction or a series of transactions) all or any part of its properties or assets that it deems to be unnecessary for its operations as carried out at the date of this Agreement.

Section 6.13. Amendments; Related Documents. Not amend, modify, terminate or grant, or permit the amendment, modification, termination or grant of, any waiver under (or consent to, or permit or suffer to occur any action or omission which results in, or is equivalent to, an amendment, modification, termination or grant of a waiver under) any Related Document, which would have an adverse effect upon the City's ability to perform its obligations under this Agreement or to repay Indebtedness of the City that is secured by Pledged Revenues or which adversely affects the security of the Bonds or the rights or remedies of the Bonds under the Related Documents or hereunder, without the prior written consent of the Bank.

Section 6.14. Transactions with Affiliates. Not enter into any transaction of any kind with any Affiliate of the City, whether or not in the ordinary course of business, other than on fair and reasonable terms substantially as favorable to the City as would be obtainable by the City at the time in a comparable arm's length transaction with a Person other than an Affiliate.

Section 6.15. Use of Proceeds. Not use the proceeds of any funds advanced under the Letters of Credit or hereunder, whether directly or indirectly, and whether immediately, incidentally or ultimately, to purchase or carry margin stock (within the meaning of Regulation U of the FRB) or to extend credit to others for the purpose of purchasing or carrying margin stock or to refund indebtedness originally incurred for such purpose.

The City shall promptly enter into an amendment to this Agreement to include such more restrictive covenants and/or greater rights or remedies (provided that the Bank shall maintain the benefit of such more restrictive covenants and/or greater rights and remedies even if the City fails to provide such amendment).

Section 6.18. Substitute Credit Facility. Use commercially reasonable efforts to obtain an Alternate Credit Facility to replace this Agreement and each Letter of Credit or to convert the interest rate on the Bonds to an interest rate other than the Weekly Rate in the event (i) the Bank shall decide not to extend the Stated Expiration Date pursuant to Section 2.13 hereof, (ii) the City terminates this Agreement pursuant to Section 2.7 hereof, (iii) the Bank shall furnish a notice of a mandatory tender or acceleration to the Paying Agent/Registrar pursuant to Section 7.2(c) or

On the date of such Substitution, any and all Obligations due hereunder and all principal and interest due on the Liquidity Provider Bonds shall be payable in full to the Bank. The City shall not permit an Alternate Credit Facility to become effective with respect to less than all of the Bonds of a subseries without the prior written consent of the Bank. The City shall cause the applicable Letter of Credit to be returned to the Bank for cancellation upon the effectiveness of a Alternate Credit Facility.

Section 6.19. Selection of Bonds for Redemption or Purchase. Permit the redemption (pursuant to the terms of the Ordinance) of any and all Liquidity Provider Bonds prior to selecting, or causing to be selected, for redemption any Bonds that are not Liquidity Provider Bonds. The City shall not declare, instruct the Paying Agent/Registrar to declare or permit an optional redemption of the Bonds pursuant to the Ordinance unless such optional redemption will be funded from sources other than the moneys provided by the Bank under the Letters of Credit or unless the Bank shall otherwise consent in writing.

Section 6.20. Conversions. (a) Will promptly furnish, or cause to be furnished, to the Bank, not later than its furnishing the same to the Remarketing Agent, a copy of any written notice furnished by the City to the Remarketing Agent pursuant to the Ordinance indicating a proposed conversion of the interest rate on either subseries of Bonds; and (b) shall not permit a Conversion Date to occur without the prior written consent of the Bank.

All reasonable expenses incurred by the Bank in conducting such audits or inspections shall be paid by the City.

Section 6.23. Partial Substitution; Redemption; Defeasance. Not provide or permit to be provided any credit or liquidity enhancement for the Bonds other than this Agreement or optionally redeem any Bonds without the prior written consent of the Bank.

- Section 6.24. Remarketing Agent. (a) Will cause the Remarketing Agent to use its best efforts to remarket all Bonds up to the Maximum Rate (as defined in the Ordinance) that are tendered for purchase and will not direct the Remarketing Agent to cease its attempts to remarket Bonds tendered for purchase for any reason (including without limitation that any interest rate charged hereunder may be less than the interest rate that would be required to be paid to any potential purchaser of such Bonds in order that the Bonds may be sold at a purchase price equal to the par value thereof plus accrued interest thereon).
- (b) If the Remarketing Agent fails to remarket Bonds for thirty (30) consecutive days, the City will replace the Remarketing Agent upon the written direction of the Bank, with a successor Remarketing Agent acceptable to the Bank.
- (c) Any remarketing agreement entered into by the City after the Closing Date and in relation to the Bonds shall provide that the remarketing agent will resign only upon providing sixty (60) days prior written notice of the Bank.

No termination of or amendment to such covenants and agreements or defined terms or release of the City with respect thereto made pursuant to the

Related Documents shall be effective to terminate or amend such covenants and agreements and defined terms or release of the City with respect thereto as incorporated by reference herein without the prior written consent of the Bank. Notwithstanding any termination or expiration of any Related Document, the City shall continue to observe the covenants therein contained for the benefit of the Bank until the termination of this Agreement. All such incorporated covenants shall be in addition to the express covenants contained herein and shall not limit or be limited by the express covenants contained herein.

Section 6.30. Further Assurances. The City will make, execute and deliver any and all such further indentures, instruments and assurances as may be reasonably requested by the Bank and reasonably necessary or proper to carry out the intention or to facilitate the performance of this Agreement, the Fee Letter and for the better assuring and confirming unto the Bank the rights and benefits provided in this Agreement and to realize thereon, and record and file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or required by the Bank to validate, preserve and protect the position of the Bank under this Agreement. The City, to the extent permitted by law, at all times shall defend, preserve and protect the pledge of the Security pledged under the Ordinance against all claims and demands of all persons whomsoever.

- (c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the City shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Related Document, the Official Statement or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Liquidity Advance, Term Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Related Documents, the Official Statement or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

In furtherance and not in limitation of the foregoing, the Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary. The Bank is hereby expressly authorized and directed to honor any demand for payment which is made under the Letters of Credit without regard to, and without any duty on its part to inquire into the existence of, any disputes or controversies between or among the City, the Paying Agent/Registrar, any transferee beneficiary of the Letters of Credit or any other Person or the respective rights, duties or liabilities of any of them, or whether any facts or occurrences represented in any of the documents presented under the Letters of Credit are true and correct.

To the extent that any payment by or on behalf of the City is made to the Bank, and such payment or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Bank in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

Section 9.6. Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the City may not assign or otherwise transfer any of its

rights or obligations hereunder without the prior written consent of the Bank. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of the Bank) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Participations. The Bank may at any time, without the consent of, or notice to, the City, sell participations to any Person (other than a natural person or the City or any of the City's Affiliates) (each, a "Participant") in all or a portion of the Bank's rights and/or obligations under this Agreement; provided that (i) the Bank's obligations under this Agreement shall remain unchanged, (ii) the Bank shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the City shall continue to deal solely and directly with the Bank in connection with the Bank's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which the Bank sells such a participation shall provide that the Bank shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that the Bank will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 9.1 that affects such Participant. The City agrees that each Participant shall be entitled to the benefits of Sections 3.1 and 3.2 to the same extent as if it were the Bank and had acquired its interest by assignment pursuant to subsection (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.16 as though it were the Bank.

- (c) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.1 or 3.2 than the Bank would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the City's prior written consent.
- (d) Certain Pledges. The Bank may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of the Bank, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release the Bank from any of its obligations hereunder or substitute any such pledgee or assignee for the Bank as a party hereto.
- Section 9.7. Treatment of Certain Information; Confidentiality. The Bank agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required by any regulatory authority having jurisdiction over it, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Related Document or any action or proceeding relating to this Agreement or any other Related Document or the

enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the City and its obligations, (g) with the consent of the City or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Bank or any of their respective Affiliates on a nonconfidential basis from a source other than the City.

For purposes of this Section, "Information" means all information received from the City relating to the City or any of its governmental purposes, other than any such information that is available to the Bank on a nonconfidential basis prior to disclosure by the City, provided that, in the case of information received from the City after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

The Bank acknowledges that (a) the Information may include material non-public information concerning the City, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

Section 9.8. Interest Rate Limitation. It is the intention of the parties to comply with applicable usury laws. The parties agree that the total amount of interest contracted for, charged, collected or received by the Bank under this Agreement and the Fee Letter will not exceed an amount that would cause the interest rate to exceed the Maximum Rate.

Section 9.9. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Related Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.1, this Agreement shall become effective when it shall have been executed by the Bank and the City shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.10. Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Related Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Bank, regardless of any investigation made by the Bank or on its behalf and notwithstanding that the Bank may have had notice or knowledge of any Potential Default or

Event of Default at the time of any issuance of a Letter of Credit, or the making of any Liquidity Advance or Term Loan hereunder, and shall continue in full force and effect as long as any Liquidity Advance or Term Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

Section 9.11. Severability. If any provision of this Agreement or the other Related Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Related Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.12. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK; PROVIDED, HOWEVER, THAT THE RIGHTS, DUTIES AND OBLIGATIONS OF THE CITY SHALL BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS.

Section 9.13. Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER RELATED DOCUMENT OR THE OFFICIAL STATEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER RELATED DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.14. Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 9.15. USA PATRIOT Act. The Bank is subject to the Patriot Act (as hereinafter defined) and hereby notifies the City that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is

required to obtain, verify and record information that identifies the City, which information includes the name and address of the City and other information that will allow the Bank, as applicable, to identify the City in accordance with the Patriot Act. The City shall, promptly following a request by the Bank, provide all documentation and other information that the Bank reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Act.

Section 9.16. Right of Set off. Upon the occurrence of an Event of Default, the Bank may, at any time and from time to time, without notice to the City or any other person (any such notice being expressly waived), set off and appropriate and apply, against and on account of, any obligations and liabilities of the City to the Bank arising under or connected with this Reimbursement Agreement and the Related Documents, without regard to whether or not the Bank shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured, any and all deposits (general or special, including but not limited to indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other indebtedness at any time held or owing by the Bank to or for the credit or the account of the City.

The term "Rating" as used above shall mean the long-term, unenhanced debt ratings assigned by each of Fitch, S&P and Moody's (each a "Rating Agency" and collectively, the "Rating Agencies") to any Indebtedness of the City secured by the Security. In the event of a split Rating (i.e., one of the foregoing Rating Agency's Rating is at a different level than the Rating of the other Rating Agencies) the Letter of Credit Fees shall be based upon the level in which the lowest rating appears. Any change in the Letter of Credit Fee Rate resulting from a change in a Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to ratings above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system by any such Rating Agency, each of the Ratings from the agency in question referred to above shall be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as currently in effect. - Notwithstanding the foregoing and anything set forth herein or in the Agreement (ii) to the contrary, the City agrees not to permanently reduce the Available Amount prior to the Stated Expiration Date, without the payment by the City to the Bank of a reduction fee in connection with each and every permanent reduction of the Available Amount as set forth herein in an amount equal to the product of (A) the Letter of Credit Fee Rate in effect on the date of such reduction, (B) the difference between the Available Amount of such Letter of Credit (without regard to any temporary reductions thereof) prior to such reduction and the Available Amount (without regard to any temporary reductions thereof) after such reduction, and (C) a fraction, the numerator of which is equal to the number of days from and including the date of such reduction to and including the Stated Expiration Date, and the denominator of which is 360 (the "Reduction Fee"); provided, however, that in the event that (A) the short-term unenhanced ratings of the Bank falls below "Pl" (or its equivalent) by Moody's or "A-1" (or its equivalent) by S&P, or (B) the Bank charges increased costs pursuant to Section 3.2 of the Agreement, no Termination Fee or Reduction Fee pursuant to this Section 1.5 shall be required to be paid to the Bank.

Investors are advised to read this Information Circular in conjunction with the Official Statement referenced below to obtain information essential to making an informed investment decision with respect to the Series 2008 Bonds.

PURPOSE OF THIS INFORMATION CIRCULAR

This Information Circular has been prepared for use by the Remarketing Agents with respect to the above-referenced Series 2008 Bonds (the "Series 2008 Bonds") and supplements the Official Statement dated August 7, 2008 (the "2008 Official Statement") relating to the Series 2008 Bonds, which were issued on August 14, 2008.

The Series 2008 Bonds were issued by the City of Austin, Texas (the "City" or the "Issuer") pursuant to an ordinance of the City adopted July 24, 2008 (the "Ordinance").

The City intends to substitute a letter of credit, constituting a Credit Facility and a Liquidity Facility, for the existing letter of credit issued in support of Subseries B of the Series 2008 Bonds, as further described below. Such substitution will take place on December ___, 2012 (the "Tender Date"). The Series 2008 Bonds will be subject to mandatory tender for purchase on the Tender Date.

This Information Circular describes the Amended and Restated Reimbursement Agreement dated as of _______, 2012 (the "Reimbursement Agreement") between the City and JPMorgan Chase Bank, National Association ("JPMorgan" or the "Bank") that will be executed and delivered on or before the Tender Date. JPMorgan will issue a letter of credit, with an initial stated amount of \$54,974,058 (the "Subseries B Letter of Credit"), that will be delivered on the Tender Date, with respect to Subseries B of the Series 2008 Bonds. The Reimbursement Agreement confirms that on July 27, 2011, JPMorgan issued a letter of credit, with an initial stated amount of \$59,692,360 (the "Subseries A Letter of Credit"), with respect to Subseries A of the Series 2008 Bonds. The current stated amount of the Subseries A Letter of Credit is \$54,974,058. The Subseries A Letter of Credit and the Subseries B Letter of Credit are individually referred to herein as a "Letter of Credit" and are collectively referred to herein as the "Letters of Credit". The Subseries A Letter of Credit and the Subseries B Letter of Credit each is calculated on the basis of the currently outstanding principal amount of the Subseries of Series 2008 Bonds for which it is issued, plus forty-eight (48) days accrued interest thereon at the rate of twelve percent (12%) per annum calculated on the basis of a 365/366 day year. Each Letter of Credit will expire on July 25, 2014, unless extended or terminated sooner in accordance with the terms of the Reimbursement Agreement and the respective Letter of Credit. See "REIMBURSEMENT AGREEMENT" herein.

Payment of scheduled principal of and interest on the Series 2008 Bonds, together with the purchase price of Series 2008 Bonds subject to optional or mandatory tender for purchase which have not been remarketed, will be payable from amounts received under the Subseries A Letter of Credit, with respect to Subseries A of the Series 2008 Bonds, and from amounts received under the Subseries B Letter of Credit, with respect to Subseries B of the Series 2008 Bonds. Series 2008 Bonds tendered for purchase will be paid first, from the proceeds of remarketing, if any, and second, from a Liquidity Drawing on a Subseries A Letter of Credit or a Subseries B Letter of Credit, as applicable. The Bank is severally liable solely with respect to the scheduled principal and interest and purchase price of the Subseries of Series

2008 Bonds for which it is obligated and not for any other Series 2008 Bonds. The City has no obligation to purchase tendered Series 2008 Bonds. See "REIMBURSEMENT AGREEMENT" herein.

REIMBURSEMENT AGREEMENT

The Subseries A Letter of Credit, issued by JPMorgan on July 27, 2011, provides credit and liquidity support only for Subseries A of the Series 2008 Bonds. The Subseries B Letter of Credit issued by JPMorgan under the terms of the Reimbursement Agreement provides credit and liquidity support only for Subseries B of the Series 2008 Bonds. The following summary of the Reimbursement Agreement and the Letters of Credit does not purport to be comprehensive or definitive and is subject to all the terms and provisions of the Reimbursement Agreement and the Letters of Credit, to which reference is made hereby. Investors are urged to obtain and review a copy of the Reimbursement Agreement and the Letters of Credit in order to understand all of the terms of those documents. Copies of the Reimbursement Agreement and the Letters of Credit may be obtained from the City or from the City's Financial Advisor, Public Financial Management, Inc., Austin, Texas. See "APPENDIX A - INFORMATION REGARDING THE BANK" for certain information regarding JPMorgan. Capitalized terms used in this section of the Information Circular have the meanings given said terms in "APPENDIX B - REIMBURSEMENT AGREEMENT DEFINED TERMS" or in the Reimbursement Agreement.

General

Upon compliance with the terms and conditions of the Letters of Credit, and subject to the terms and conditions set forth therein, the Bank is obligated to provide funds for the particular Subseries of the Series 2008 Bonds that are tendered for purchase and not remarketed, whether at the option of the owner of such Subseries of the Series 2008 Bonds or upon mandatory tender for purchase.

The Bank and the City have entered into the Reimbursement Agreement. With respect to Subseries A of the Series 2008 Bonds, JPMorgan issued the Subseries A Letter of Credit on July 27, 2011, with an initial stated amount of \$59,692,360, and currently has a stated amount of \$54,974,058. With respect to Subseries B of the Series 2008 Bonds, JPMorgan will issue the Subseries B Letter of Credit, with an initial stated amount of \$54,974,058 that will be delivered on the Tender Date. The Letters of Credit will expire on the Stated Expiration Date.

The Paying Agent/Registrar is authorized to make drawings for the scheduled payment of principal of and interest on the Series 2008 Bonds of either Subseries (an "Interest Drawing", a "Redemption Drawing" and a "Stated Maturity Drawing", as the case may be) under the applicable Letter of Credit. The Paying Agent/Registrar is authorized to make a drawing on the applicable Letter of Credit for the payment of the purchase price of the Series 2008 Bonds bearing interest at the Weekly Rate that have been tendered and not remarketed (a "Liquidity Drawing"), subject to certain conditions set forth in the Letters of Credit and in the Reimbursement Agreement. As provided in the Reimbursement Agreement, a Liquidity Drawing shall constitute a Liquidity Advance, and shall immediately, on a Term Loan Commencement Date, convert into a Term Loan. No Drawing shall be made under any Letter of Credit for the payment of principal or interest on Ineligible Bonds.

Series 2008 Bonds of a Subseries purchased with the proceeds of a Liquidity Drawing are Liquidity Provider Bonds, and the Paying Agent/Registrar shall deliver to the Bank and register such Liquidity Provider Bonds as provided in the Reimbursement Agreement. Liquidity Provider Bonds shall bear a CUSIP Number which will be unique to Liquidity Provider Bonds, and which will be different from the CUSIP Number for Series 2008 Bonds that are not Liquidity Provider Bonds. The payment of principal of and interest on Liquidity Provider Bonds shall be made in the manner set forth in the Reimbursement Agreement.

Events of Default

The following constitute Events of Default under the Reimbursement Agreement:

- (a) Any representation or warranty made by the City in any of the Ordinance, the Reimbursement Agreement, or in any certificate, agreement, instrument or statement contemplated by or made or delivered pursuant to or in connection therewith shall prove to have been false, inaccurate, incomplete or misleading in any material adverse respect either on the date of the Reimbursement Agreement or on the date when made.
- (b) (i) Any "event of default" under the Ordinance or any other Related Documents shall occur and be continuing; or (ii) the City shall fail to make any payment in respect of principal or interest on any

Indebtedness of the City secured by Pledged Revenues when due (i.e., whether upon the scheduled maturity, required prepayment, acceleration, upon demand or otherwise), and such failure shall continue after the applicable grace period, if any, specified in the agreement or instrument relating to such Indebtedness.

- (c) The City shall fail to pay or cause to be paid when due (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise in accordance with its terms) (i) any amounts with respect to the principal of, interest on or premium, if any, on any Series 2008 Bonds (including Liquidity Provider Bonds), (ii) any amounts payable under the Reimbursement Agreement with respect to the issuance of the Letters of Credit (other than amounts described in clause (i) of this paragraph (c)), or (iii) any other amount payable pursuant to the Reimbursement Agreement, the Fee Letter or the Series 2008 Bonds (including Liquidity Provider Bonds) (other than amounts described in clauses (i) and (ii) of this paragraph (c)).
- (d) Default in the due observance or performance of covenants set forth in the Reimbursement Agreement relating to notices under the Reimbursement Agreement of any Potential Default or Event of Default, any matter that has resulted or could result in a Material Adverse Effect; compliance with Laws by the City; defending the Security against claims and demands; amendments to the Reimbursement Agreement or any Related Document; enter into transactions with any Affiliate of the City other than on fair and reasonable terms to the City; use of proceeds advanced under the Letters of Credit; appointment of a successor Paying Agent/Registrar or Remarketing Agent; effecting a redemption of Series 2008 Bonds; rights of inspection of records by the Bank; maintaining the tax-exempt status of obligations issued by the City, including the Series 2008 Bonds; maintaining specified financial covenants; not permitting any lien on funds or accounts created under the Ordinance except those specifically permitted under the Ordinance and the Reimbursement Agreement; the waiver of sovereign immunity as a defense; the payment of any swap termination payment; or cause a Rating Agency to issue a rating on Liquidity Provider Bonds.
- (e) (i) Default in the due observance or performance of any covenant set forth in the Reimbursement Agreement with respect to maintaining records designating, identifying or describing the Security or the delivery of instruments to carry out the intention or to facilitate performance of the Reimbursement Agreement and the Fee Letter, and such default has not been rendered within three (3) days after the earlier of (x) the date of written notice thereof from the Bank or (y) the date on which such default shall first become known to any officer of the City or (ii) default in the due observance or performance of any other term, covenant or agreement set forth in the Reimbursement Agreement and such default has not been remedied within fifteen (15) days after the earlier of (x) the date of written notice thereof from the Bank or (y) the date on which such default shall first become known to any officer of the City.
- (f) The City makes an assignment for the benefit of creditors, files a petition in bankruptcy, is unable generally to pay its debts as they come due, is adjudicated insolvent or bankrupt or there is entered any order or decree granting relief in any involuntary case commenced against the City under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or if the City petitions or applies to any tribunal for any receiver, trustee, liquidator, assignee, custodian, sequestrator or other similar official for the City or of any substantial part of its Properties, or commences any proceeding in a court of law for a reorganization, readjustment of debt, dissolution, liquidation or other similar procedure under the law or statutes of any jurisdiction, whether now or hereafter in effect, or if there is commenced against the City any such proceeding in a court of law which remains undismissed or shall not be discharged, vacated or stayed, or such jurisdiction shall not be relinquished, within sixty (60) days after commencement, or the City by any act, indicates its consent to, approval of, or acquiescence in any such proceeding in a court of law, or to an order for relief in an involuntary case commenced against the City under any such law, or to the appointment of any receiver, trustee, liquidator, assignee, custodian, sequestrator or other similar official for the City or a substantial part of its Properties, or if the City suffers any such receivership, trusteeship, liquidation, assignment, custodianship, sequestration or other similar procedure to continue undischarged for a period of sixty (60) days after commencement or if the City takes any action for the purposes of effecting the foregoing.

- (g) Any material provision of any of the Related Documents shall cease to be valid and binding, or the City or any Governmental Authority shall contest any such provision or the City or any agent or trustee on behalf of the City, shall deny that it has any or further liability under any of the Related Documents.
- (h) Default shall occur in the payment when due of any Indebtedness of the City not otherwise described in this section which exceeds in the aggregate \$10,000,000 issued, assumed or guaranteed by the City and shall continue beyond any applicable period of grace, or default shall occur under any indenture, agreement or other instrument under which the same may be issued, and such default shall continue for a period of time sufficient to permit the acceleration of the maturity of any such Indebtedness.
- (i) Judgment for the payment of money in excess of an aggregate of \$10,000,000 (or its equivalent in another currency or currencies) and not fully covered by insurance shall be rendered against the City and the same shall remain undischarged for a period of thirty (30) consecutive days during which execution shall not be effectively stayed or for the payment of which a surety bond or other adequate security has not been obtained in the judgment of the Bank, or (2) judgment for the payment of money payable from the Pledged Revenues and not fully covered by insurance shall be rendered against the City and the same shall remain undischarged for a period of thirty (30) consecutive days during which execution shall not be effectively stayed or for the payment of which a surety bond or other adequate security has not been obtained in the judgment of the Bank.
- (j) The Security shall not be subject to a security interest for the benefit of the Owners and the Bank, subject only to the Lien in favor of the Prior Lien Bonds.
- (k) (i) The City shall impose a debt moratorium, debt restructuring, debt adjustment or comparable extraordinary restriction on the repayment when due and payable of the principal of or interest on any Indebtedness of the City or (ii) any Governmental Authority having appropriate jurisdiction over the City shall make a finding or ruling or shall enact or adopt legislation or issue an executive order or enter a judgment or decree which results in a debt moratorium, debt restructuring, debt adjustment or comparable extraordinary restriction on the repayment when due and payable of the principal of or interest on the Obligations, any Series 2008 Bonds or on any Indebtedness of the City.
- (1) The long-term, unenhanced debt rating assigned to the Parity Obligations shall be withdrawn, suspended or lowered below "BBB" (or its equivalent) by Fitch or S&P or "Baa2" (or its equivalent) by Moody's.

Rights and Remedies

Upon the occurrence and during the continuance of any Event of Default, the Bank shall, with notice to the Paying Agent/Registrar, exercise any one or more of the following rights and remedies, in addition to any other remedies provided in the Reimbursement Agreement or by law:

- (a) by notice to the City, declare all Obligations to be, and such amounts shall thereupon become, immediately and automatically due and payable without further presentment, demand, protest or other notice of any kind, all of which are waived by the City; provided, that upon the occurrence of an Event of Default under clause (f) above described in "Events of Default" such acceleration shall automatically occur (unless such automatic acceleration is waived by the Banks in writing);
- (b) give notice of the occurrence of an Event of Default to the Paying Agent/Registrar, directing the Paying Agent/Registrar to cause a mandatory tender of the Series 2008 Bonds, thereby causing the Letters of Credit to expire 15 days thereafter;
- (c) direct the Paying Agent/Registrar to exercise its rights under the Ordinance and the Related Documents; and
- (d) pursue any other action available at law or in equity;

provided, however, that the failure of the Bank to give notice of the exercise of any such right or remedy shall not affect the validity or enforceability thereof.

THE INTEREST RATE MANAGEMENT AGREEMENT

Under the Ordinance, payments made under a Credit Agreement may be treated as an obligation payable solely from and equally and ratably secured by a lien on the Pledged Revenues on a parity with the Series 2008 Bonds.

In addition to the payment obligations of the City under the terms of the Reimbursement Agreement, in conjunction with the delivery of the Series 2008 Bonds, the City entered into an ISDA Master Agreement dated as of August 7, 2008, a schedule attached thereto and a confirmation, dated as of August 7, 2008, all between the City and Morgan Keegan Financial Products, Inc. ("MKFP"), a Replacement Transaction Agreement, dated as of August 7, 2008, between the City, MKFP and Deutsche Bank AG, New York Bank ("Deutsche Bank") and a Credit Support Annex, dated as of August 7, 2008, between the City and Deutsche Bank (collectively, the "Series 2008 Interest Rate Management Agreement"). Under the terms of the Series 2008 Interest Rate Management Agreement, the City is obligated to make payments to MKFP calculated on a notional amount equal to the scheduled outstanding principal amount of the Series 2008 Bonds and a fixed interest rate of 3.2505% per annum, and MKFP is obligated to make reciprocal payments to the City calculated on a notional amount equal to the scheduled outstanding principal amount of the Series 2008 Bonds and a variable rate equal to 67% of the one-month London Interbank Borrowing Rate ("LIBOR") for U.S. deposits. Payments under the Series 2008 Interest Rate Management Agreement will be made on a net basis on the fifteenth day of each month, commencing in September 2008 and ending in November 2029. Interest on the Series 2008 Bonds is calculated on the basis of an index that differs from the LIBOR index used to calculate amounts payable to the City under the terms of the Series 2008 Interest Rate Management Agreement. The City entered into the Series 2008 Interest Rate Management Agreement in conjunction with the issuance of the Series 2008 Bonds in order to effect and quantify a debt service savings on outstanding bonds that were refunded with the proceeds of variable rate bonds. On the effective date of the Series 2008 Interest Rate Management Agreement, MKFP, as a result of the Credit Support Agreement with Deutsche Bank, was rated Aa1 by Moody's, and AA by S&P. Payments to be made by the City, if any, under the terms of the Series 2008 Interest Rate Management Agreement (other than a "termination payment" as discussed below) are payable solely from and equally and ratably secured by a lien on the Pledged Revenues of equal rank and dignity with the lien and pledge securing the payment of the Series 2008 Bonds. As of September 15, 2012, the net aggregate monthly payments the City has made under the Series 2008 Interest Rate Management Agreement equal (\$2,596,021.50).

If any party to the Series 2008 Interest Rate Management Agreement commits an event of default, suffers a reduction in credit worthiness, or merges with a materially weaker entity, or in certain other circumstances, the Series 2008 Interest Rate Management Agreement may be terminated at the option of the other party. Accordingly, no assurance can be given that the Series 2008 Interest Rate Management Agreement will continue in existence until November 2029. If the Series 2008 Interest Rate Management Agreement is terminated, then current market conditions will determine whether the City will owe a termination payment to MKFP or be entitled to receive a termination payment from MKFP. Such termination payment generally would be based on the market value of the Series 2008 Interest Rate Management Agreement on the date of termination and could be substantial. In addition, a partial termination of the Series 2008 Interest Rate Management Agreement could occur to the extent any Series 2008 Bonds are redeemed pursuant to the City exercising its right to effect an optional redemption of Series 2008 Bonds. If such optional redemption were to occur, termination payments related to the portion of the Series 2008 Interest Rate Management Agreement to be terminated will be owed by either the City or Deutsche Bank, depending on the existing market conditions. The obligation of the City to pay a termination payment to Deutsche Bank could result in the City issuing Parity Bonds or Junior Subordinate Lien Bonds to enable the City to make such a termination payment.

THE REMARKETING AGENTS

Each Remarketing Agent is Paid by the City. Each Remarketing Agent's responsibilities include determining the interest rate from time to time and remarketing Series 2008 Bonds that are optionally or mandatorily tendered to it or the Tender Agent by the beneficial owners thereof (subject, in each case, to the terms of the Remarketing Agreement). Each Remarketing Agent is appointed by the City and is paid by the City for its services. As a result, the interests of each Remarketing Agent may differ from those of beneficial owners and potential purchasers of Series 2008 Bonds.

Determination of Interest Rates by the Remarketing Agents. On each Rate Determination Date, each Remarketing Agent is required to determine the interest rate that will be effective with respect to the Subseries of Series 2008 Bonds on the Effective Date. That rate is required by the Ordinance to be the lowest rate necessary in the judgment of the Remarketing Agent to remarket the Subseries of Series 2008 Bonds at par, plus accrued interest on the Effective Date. For example, while a Subseries of the Series 2008 Bonds bear interest at a Weekly Interest Rate, by 10 a.m. on

Wednesday (the Rate Determination Date), the Remarketing Agent for that Subseries of Series 2008 Bonds will determine the interest rate that will be effective on such date.

Each Remarketing Agent Routinely Purchases Series 2008 Bonds for its Own Account. The Remarketing Agents act as remarketing agent for a variety of variable rate demand obligations issued by many issuers and, in its sole discretion, routinely purchases such obligations for its own account. The Remarketing Agents are permitted, but not obligated, to purchase tendered Series 2008 Bonds for their own account and, in their sole discretion, routinely acquire such tendered Series 2008 Bonds in order to achieve a successful remarketing of the Series 2008 Bonds (i.e., because there otherwise are not enough buyers to purchase the Series 2008 Bonds) or for other reasons. However, a Remarketing Agent is not obligated to purchase Series 2008 Bonds, and may cease doing so at any time without notice. If a Remarketing Agent ceases to purchase Series 2008 Bonds, it may be necessary for the Paying Agent to draw on a Letter of Credit to pay tendering bondholders.

Each Remarketing Agent may also make a secondary market in the Series 2008 Bonds by routinely purchasing and selling Series 2008 Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales must be at fair market value, which may be at, above, or below par. No notice period is required for such purchases. However, a Remarketing Agent is not required to make a secondary market in the Series 2008 Bonds. Thus, investors who purchase the Series 2008 Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Series 2008 Bonds other than by tendering the Series 2008 Bonds in accordance with the tender process.

Each Remarketing Agent may also sell any Series 2008 Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Series 2008 Bonds. The purchase of Series 2008 Bonds by a Remarketing Agent may create the appearance that there is greater third party demand for the Series 2008 Bonds in the market than is actually the case. The practices described above also may result in fewer Series 2008 Bonds being tendered in a remarketing.

Series 2008 Bonds May be Offered at Prices Other Than Par. Pursuant to the Remarketing Agreement, on each Rate Determination Date, the Remarketing Agent is required to determine the interest rate that will be effective with respect to the Series 2008 Bonds on the Effective Date. That rate is required by the Ordinance to be the lowest rate necessary in the judgment of the Remarketing Agent to remarket the Series 2008 Bonds at par, plus accrued interest, if any, on the Effective Date. The interest rate will reflect, among other factors, the level of market demand for the Series 2008 Bonds (including whether a Remarketing Agent is willing to purchase Series 2008 Bonds for its own account). There may or may not be Series 2008 Bonds tendered and remarketed on an Effective Date, and the Remarketing Agents may or may not be able to remarket any Series 2008 Bonds tendered for purchase on such date at par. The Remarketing Agents are not obligated to advise purchasers in a remarketing if they do not have third-party buyers for all of the Series 2008 Bonds at the remarketing price.

Under Certain Circumstances, the Remarketing Agent May Be Removed, Resign or Cease Remarketing the Series 2008 Bonds, Without a Successor Being Named. Under certain circumstances a Remarketing Agent may be removed or have the ability to resign or cease its remarketing efforts, without a successor having been named, subject to the terms of the Remarketing Agreement. In the event there is no Remarketing Agent, bondholders may tender their Series 2008 Bonds to the Paying Agent. In that event, the Series 2008 Bonds will bear interest at the rate set in accordance with the terms of the Ordinance, the remarketing of the particular Subseries of Series 2008 Bonds will cease until a successor remarketing agent for such Subseries has been appointed. In this case, tendering bondholders will be paid from draws on the applicable Letter of Credit.
